## Summary of Key Findings

### December 1-8 2011, Governorates of Second Election Round in Egypt

- **The support for the Freedom and Justice Party (Muslim Brotherhood) has steadily increased and the party looks to get a very strong result.** The party are expected to get around 50% of the votes in the second election round.
- **The Nour Party continues the strong showing from election round 1.** The Nour Party is expected to get support from around 20% of the decided voters, which is a big increase from previous polls done in the same governorates.
- **Al Wafd is expected to be strongest liberal party in election round 2.** The Al Wafd Party has support of around 14%, while the also liberal Egyptian Bloc gain support from 5% of the decided voters. The second round of elections take place in many of Al Wafd's traditional strongholds in upper Egypt.
- **4 out 10 voters are still undecided indicating some uncertainty about the election result.**
